

## INTERACTIVE IRISH CEILI EXPERIENCE

An engaging team activity, that not only demonstrates Irish culture but includes you in it. 'Ceili' comes from the Gaelic for 'party' and has long been the Irish event most associated with fun, interaction and community.

Our talented and award winning professional Irish artists add the WOW Factor with solo and group performances before teaching guests the basics. Traditional jigs and reels are performed along with more familiar, contemporary pieces such as Riverdance excerpts.
