

MILLIONAIRE GAMES CHALLENGE

Our Millionaire Challenge is an ideal opportunity for your staff to have some unforgettable fun whilst taking part in a very competitive but fun challenge.

Participants can be divided into teams or play individually and 1 million (fake) dollars are divided in tokens between players. Teams/individuals then compete against each other, using their tokens to buy in to games, in a range of interactive games over the course of 2 hours. The team at the end who has won the most tokens will be the Millionaire Champions!
