

UNITED STATES OF ERIKS

NATION BUILDER

In this fun, indoor, real-life board-game, players are challenged to design a prosperous country with happy denizens!

Teams represent individual states, and must build facilities like hospitals, banks, airports to keep their residents happy.

Working with a limited supply of resources, teams strategize on priorities and negotiate with other team-states for win-win situations

Best Booked for:

- Team Building
- Corporate Events
- Experiential Events
- Private Events
- Meeting Ice Breakers

How It Works

Event Co-ordinator welcomes and briefs Teams

4 Rounds to include Strategy and Identity, Crisis Management, Nation Building and Evaluation

Teams receive all info and materials required

Suitable Indoors - This Activity:

- Intensifies Team Work in a fun environment
- Reinforces work connections and relationships
- Stimulates lateral thinking
- Participants utilise and improve key business skills
- Delivers FUN!
