A Day At The Races - Online

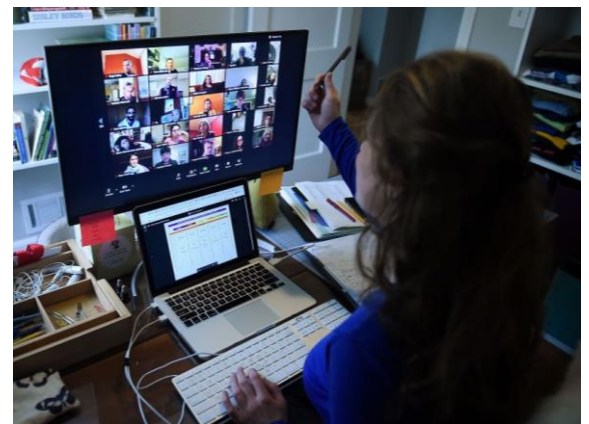

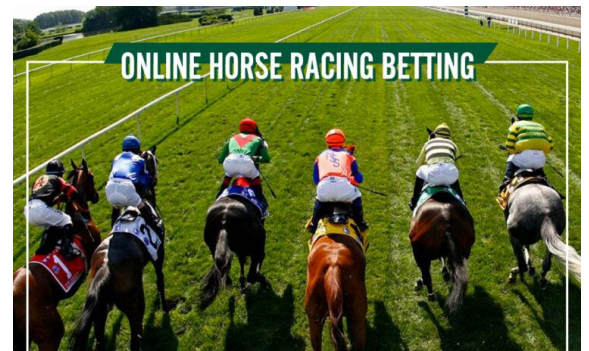

Experience the excitement of the chase from the comfort of your home or office with a Day at the Races!

Our professional Race Commentator will guide your guests through 9 races. At the start, each player will receive 1500 points to gamble and bet on the races through to use of our user friendly custom designed app.

Customised race booklets (pdf's) will include the names of the players participating represented as Jockeys, Trainers and Horse Owners. You even get to name the races and horses.

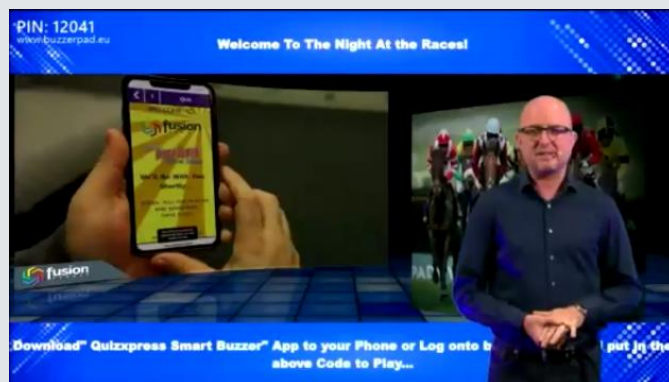

Players with the most points will take part in a whacky final race, such as a Pig race, Trotting or Dog race, with lots of laughs to close out an amazing event with friends, family and colleagues.
